Whew, that explains why I didn't know about the transmittal to HQ. I'm not cc:'d on the email.

I'll send you the blurb for the Administrator tomorrow. We'll have to pick a date and an event. Would it be April 22 to transmit it to Janet McCabe? Or is it the tentative date it goes to the Administrator for review (although the RA will sign). Please advise.

Thanks,

Jody

Hi there,

Mystery solved, we were working with Regina. She sent it to DC.

Take care,

Dee

Hi Wash Ops – Here is a proposed action for OAR's review, concurrence and transmission to the Office of Policy for OMB review. OAQPS thanks Region 8 for the opportunity to review and assist with the processing of this action (Mike Koerber and Bruce Moore have reviewed).

Included are drafts of the proposed FIP action, action memo and fact sheet. Also included is the OMB transmittal memo. Please note that Janet and Debbie are aware of this proposal and have received advance copies.

Please let us know if you have any questions or need anything further. thx rc
